

Multi BIF Cayman Island Rescue LCM 2

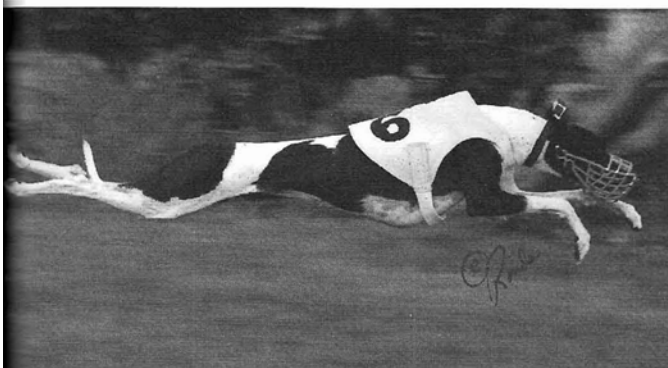

**#7 ASFA Whippet
2000**

The day I picked her up from the pound at 7 weeks, with her skull fractured and sinuses punctured, I had tears of sorrow in my eyes for this "throw away puppy". Now, two years later, she brings tears to my eyes every time I see her run. She is 22lbs & 19.5" of pure heart and determination. Cayman, I love you.

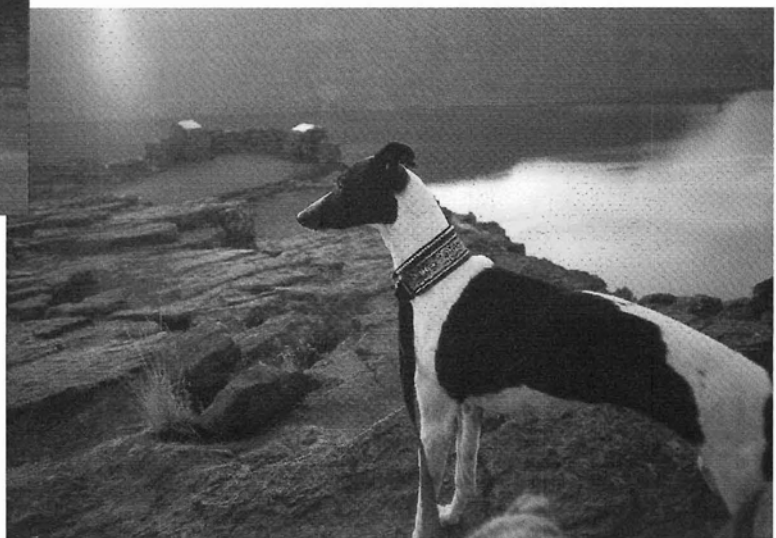

Cayman is the only rescue whippet with an ILP # to get an LCM 2

Multi BIF Shadow Run Nike Air Jammin' LCM

(Blarneystone Tyler LCM6 x Blarneystone Miss Dallas LCM)

Jam is pure power, strength and speed. Jam was #14 ASFA whippet 1999. At her very first NOTRA ever, she was in the Top 10. We have started agility & obedience, which she loves. Jam will be bred to a very special male in 2001. We hope to carry on her beauty, soundness, temperament and speed. She is CERF clear.

Thank you Jo & Glen Sowards. Continuing on the great BLARNEYSTONE tradition, thank you Bev & Mick McKibbin.
